

Each year, on *Valentines Day*,
we do something a little extra special.

*Tuesday night we will be offering a 4 course, Italian dining experience
for those who want to actually have a really nice night out.*

The menu for the evening is available to see in the restaurant and online at RiccardosLO.com.

*Tables of two will share an Antipasti and then a Primo course, followed
by individual Secondo main courses, and finally individual desserts.*

Our normal menu will be unavailable both for dine-in or take-out.

*Wine, beverages and gratuities are not included in the \$75 per-person price...
but service and an Italian experience are.*

*Seatings will begin at 4:30, there are very limited tables available
throughout the evening, so call to make a reservation.*
